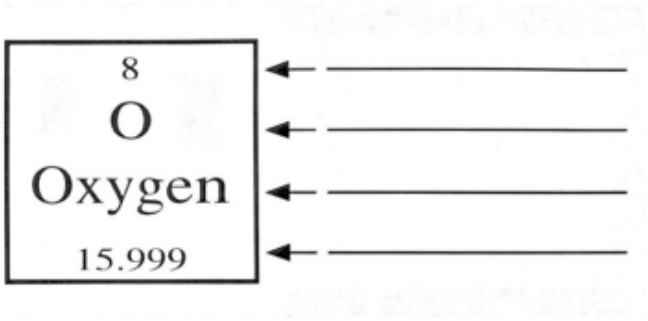
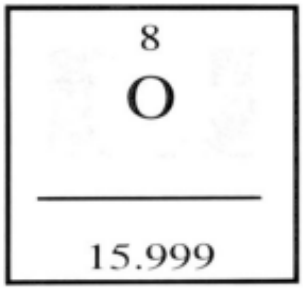
Name: _____ Date: _____ Page # _____

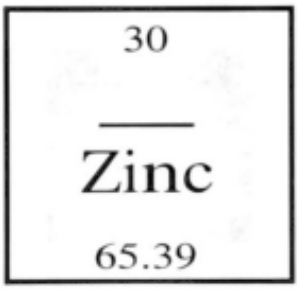
The Atoms Family - Atomic Math Challenge



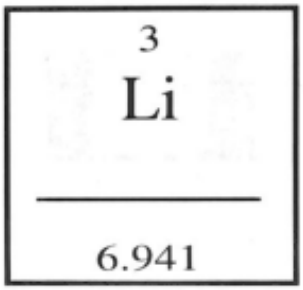
Atomic number equals the number of _____. Also the number of _____ if the atom is neutral. **Atomic mass** rounded is the _____ _____. **Mass number** equals the number of _____ + _____.



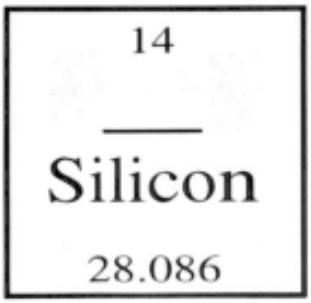
Atomic # = _____
Mass number = _____
# of protons = _____
# of neutrons = _____
# of electrons = _____



Atomic # = _____
Mass number = _____
# of protons = _____
# of neutrons = _____
# of electrons = _____

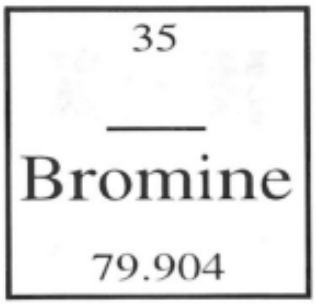


Atomic # = _____
Mass number = _____
# of protons = _____
# of neutrons = _____
# of electrons = _____



Atomic # = _____
Mass number = _____
# of protons = _____
# of neutrons = _____
# of electrons = _____

Atomic # = _____
Mass number = _____
# of protons = _____
# of neutrons = _____
# of electrons = _____



Atomic # = _____
Mass number = _____
# of protons = _____
# of neutrons = _____
# of electrons = _____
